

LEADINGCRESTRESERVE
TRADING COMPANY

COMPANY PROFILE

Leadingcrestreserve aims to extend business to the entire Cryptocurrency industry chain in the future and serve global users with technology innovations.

ABOUT US

FOR A SECURE AND PLANNED FUTURE

Our world class GPU hosting packages give you full ownership of your rigs offering a turn-key solution to GPU mining at industry leading prices. Rigs hosted in our world class facilities are backed by our uptime guarantee, providing electricity, maintenance, and repairs so you don't have to worry about anything except what to mine.

ITS ALL ABOUT YOUR FUTURE

01 OUR VISION

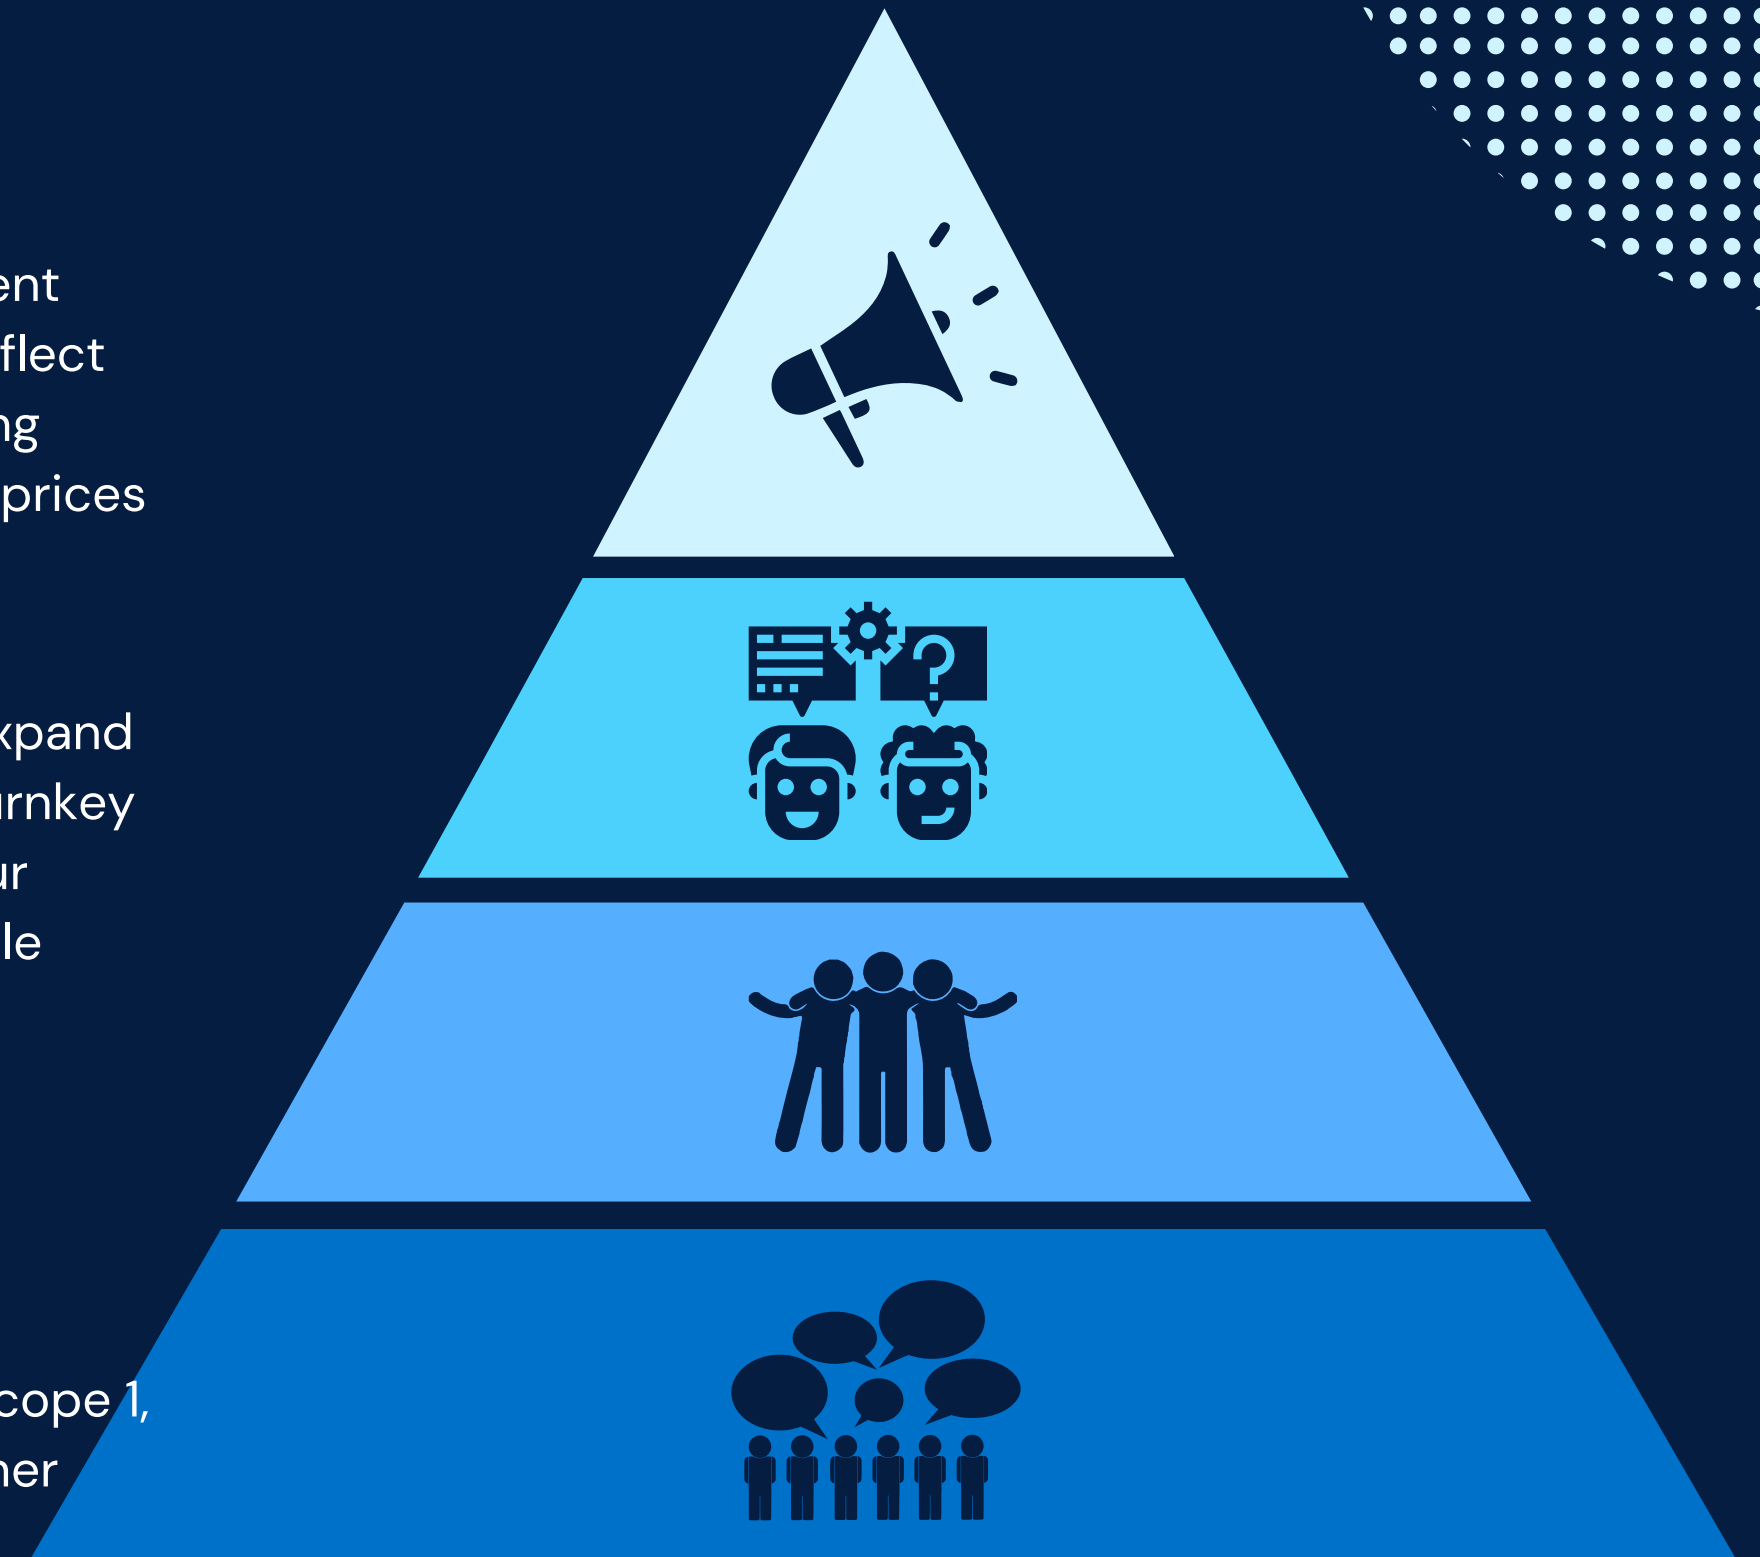

Our vision is to be the world leader in costefficient distributed computing. Our hosting packages reflect this goal as we offer the most competitive pricing around. Our rigs are priced at wholesale market prices

02 OUR MISSION

Whether you're a professional miner looking to expand existing operations, or an investor looking for a turnkey mining solution, we have a package for you! All our services are sold separately, and we do not bundle services that you don't need with those you do.

03 OUR MOTTO

We Believe in Climate Positive Blockchain Infrastructure. Our facilities are powered by 100% Hydroelectric power. We also offset double our Scope 1, 2, and 3 carbon emissions through on-chain partner Klima Dao's Klima Infinity Program.

OUR SERVICES

Giving You Financial Power

The investment round for this month is still open. Very soon, you will be able to join us and invest now.

Pool Allocation

You can decide which pools you want to mine. This allows you to find the most profitable pools.

Low Maintenance Fee

We got the lowest price on electricity (0.05 \$/kWh) and purchasing costs in the Cryptocurrency mining industry.

Daily Payouts

The mining starts immediately after confirmed payment. First payouts within 24 hours. Afterward, the payouts continue daily.

Newest Hardware

We use the newest ASIC miner, GPU rigs. You get the most advanced technologies from Rubicon Mining.

Mining Switch

You can control the Mining process by setting up Switch on or Switch off. You have full control permissions on Mining.

Expert Team

Our mining team comes from the blockchain industry and IT engineers, we have you covered with the knowledge and skills of our team.
